Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for OR 43 – Cedar Oak Drive to Marylhurst Drive in surface transportation reauthorization legislation.

The project sponsor for this project is Oregon Department of Transportation and the project is located at State Highway OR-43 between Marylhurst Drive and Cedar Oak Drive in West Linn, Oregon, 97068.

The funding is designated for constructing separated bicycle facilities and continuous handicap accessible sidewalks along the corridor including crossings at multiple side street intersections. These improvements will connect to signalized intersection improvements already underway.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: This project will enhance signalized intersection improvements and provide a safe and critical link for bicycle riders and pedestrians along this section of roadway with improved access to transit.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Kurt Schrader
